this book by navigator author jerry bridges shows students that holiness isn t an accomplishment it s a process learn more about the character of god as you explore your personal spiritual formation taken from jerry s the pursuit of holiness it s a great discipleship tool for young adults

we all chase something it might be a degree or career a husband and family the approval of man or a perception of social success we long to pursue the things that matter we long to chase the lord but we are weary what would happen if we redirected our energy toward developing the character traits and disciplines that christ calls us to pursue what if we sought ways to increase our endurance and strengthen our faith what if we stopped aimlessly running and instead chased the disciplines that would earn the prize that mattered chasing holiness challenges the status quo level of christian living accepted for far too long by many women today it s about teaching stubborn hearts through the discipline of seeking god to remain focused on him it examines what it means to live by the power of god and believe him when he calls us a daughter chosen holy and redeemed it encourages women to cultivate a lifestyle in keeping with who we really are in christ it s an acknowledgment that many of us long to fix our eyes on jesus and push toward the finish line but we don t know where to start chasing holiness is about finding out together
